## **INTIMATION REGARDING ABSENTEEISM**

Dear Parents,

Seasonal greetings from TNV!

As we all know that attendance is an important factor in school success among children and youth. Studies show that better attendance is related to higher academic achievement.

Beginning in kindergarten, students who attend school regularly score higher on tests than their peers who are frequently absent. However, chronic absence (regardless of reason) is increasingly identified as an important “early warning sign” that a student is at risk for school failure.

In order improve the attendance of our school children I would like to remind you that children are not permitted to take leave without getting a written permission from the Principal through the class teacher before planning your leave.

Emergency leave can be intimated to the class teacher or the school office.

If your ward is absent for 3 or more days you need to meet the Principal in person to get the leave sanctioned.

Your cooperation is very much appreciated.
