TNV/ACAD/SCHOOL BAG/2016

Date: 13. 10. 2016

CIRCULAR TO PARENTS

Dear Parent,

Please follow the suggestions given below to reduce the weight of school bag of our children:

- i. Parents are advised to purchase lighter school backpack with two taut stripes.
- ii. In primary classes, parents are reminded to supervise their child in repacking his /hers bag everyday as per the timetable and ensure that your ward do not carry unnecessary items such as story books, playthings etc. to school.
- iii. Children are often in the habit of storing things in their school bags, therefore regular cleaning of the school bag is essential.
- iv. The bag should be put on tightly to the child's back, rather than hanging off her / his shoulders.
- v. Teachers were instructed to give unambiguous instructions for bringing textbooks beforehand and not to penalise students in any way for not bringing text books.
- vi. As you all know that we provide safe drinking water for everybody in the campus so, students can avoid bringing the heavy water bottle to school.

I HOPE THAT THESE MEASURES WILL REDUCE THE WEIGHT OF SCHOOL BAG OF OUR CHILDREN FROM NOW ONWARDS.
