STORY NARRATION

THE HONEST WOODCUTTER

- Once upon a time,there was a woodcutter.
- While cutting a tree,his axe fell into the river.
- Suddenly,a fairy appeared,showed him a golden and silver axe.
- He said its not mine.
- Then the fairy gave a wooden axe.
- He was happy with his axe back.
- The rich man who heard the story did the same.
- Again the fairy appeared with the sillver axe.
- The rich man was greedy, so the fairy refused to give the axe.
- Finally,he learnt not to tell lies.

MORAL: One must always tell the truth.
